Learn More Inside

Dear Residents of the Harvey Public Library District,

I am pleased to share with you some of the recent accomplishments of our library as we continue to serve and support our community. Through diligent efforts and dedication, we have achieved significant milestones that have enhanced the services and resources available to you.

Despite the challenges posed by the pandemic, we have successfully navigated through these impacts and adapted our services to meet the evolving needs of our community.

In response to your feedback and to better serve you, we have **extended our library hours, introduced new programs**, and established valuable partnerships to **offer a diverse range of educational and recreational opportunities**. We encourage you to take advantage of these initiatives and explore the benefits that the library has to offer.

From free online classes and certifications to a wide selection of audiobooks, notary services, and access to our business center for copies and printing, we strive to provide resources that cater to your diverse interests and needs. Your library is a hub of learning, creativity, and community engagement, and we are dedicated to ensuring that it remains a valuable asset to all residents.

I would like to express my gratitude to the Board of Trustees for their unwavering commitment and passion in serving the community. Their talents and dedication have been instrumental in driving the library's growth and improvement, and we are fortunate to have such a dedicated team working tirelessly to enhance your library experience.

We look forward to welcoming more members of our community to the library, where you can discover, learn, and connect. Together, let us continue to foster a culture of lifelong learning and enrichment within the Harvey Public Library District.

Warm regards,

Tamika Price
President, Harvey Public Library District
Board of Trustees
